REQUEST FOR CORRECTED FILING RECEIPT

**Application Processing Division's  
Customer Correction Branch  
Assistant Commissioner for Patents  
Washington, DC 20231**

Sir:

The official Filing Receipt contains errors on the part of the Applicant. The subject application was filed as a continuing application under 35 U.S.C. 120/121 of provisional application Serial No. 60/117,716, filed January 28, 1999. The M.P.E.P. 201.07 and 201.08 outline that applications claiming the benefit of the priority date of a provisional application are filed under 35 U.S.C. 119(e) and should not be called a "continuation" or a "continuation-in-part". Thus, the present application is correctly filed under 35 U.S.C. 119(e) and claims the benefit of the filing date of the '716 application.
